The agreement provides funding to Bisbee Science Exploration and Research Center (BSERC). Specifically, the recipient will use the funds to support the University of Miami's project to Harness the power of the sun to produce energy.

This action approves an award in the amount of \$654,271 to support the University of Miami's project to Harness the power of the sun to produce energy.

The agreement provides funding under the Inflation Reduction Act (IRA) to the Quapaw Nation for the expansion and enhancement of its energy infrastructure.

This Infrastructure Investment and Jobs Act (IIJA) assistance agreement will provide technical assistance (e.g., information, training, tools) to the Bay Foundation of Morro Bay.

This Infrastructure Investment and Jobs Act project will provide technical assistance (e.g., information, training, tools) to the Bay Foundation of Morro Bay to support the Morro Bay National Estuary Program (MBNEP).

The purpose of this competitively selected grant is to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The agreement provides conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to New Hampshire Department of Environmental Services.

This agreement provides funding under the Inflation Reduction Act (IRA) to Pokagon Band of Potawatomi Indians.

The overall goal of this project is to increase participation in the EPA's Clean School Bus program across school districts.

This agreement provides funding under the Inflation Reduction Act to the Forest County Potawatomi Community Tribe for environmental projects.

This agreement funds the recipient's program to remediate contaminated source material (chat, bull rock, fine tailings, arsenic).

The purpose of this Inflation Reduction Act funded and competitively selected cooperative agreement is to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The agreement provides funding under the Inflation Reduction Act (IRA) to the Red Cliff Band of Lake Superior Chippewa.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to Village of Solomon to develop or enhance its energy infrastructure.

This assistance agreement provides funding under the Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This grant provides funding for the Iowa Department of Natural Resources (IDNR) Water Quality Planning program. Additionally, the grant will support the IDNR's efforts to develop a water quality management plan for the Iowa River.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Mi'kmaq Nation for the expansion and enhancement of its energy infrastructure.

This proposal supports outreach, communication and engagement with residents; the development of a Safety and Climate Action Plan; and the implementation of energy efficiency measures.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Connecticut Department of Energy and Environmental Protection.

The purpose of this Inflation Reduction Act funded Grant is to allow the Indiana Department of Environmental Management to support the development of a new energy infrastructure.

This agreement provides funding under the Inflation Reduction Act (IRA) to Keweenaw Bay Indian Community (KBIC). The purpose of this agreement is to support the KBIC's energy infrastructure.

This agreement provides funding under the Inflation Reduction Act (IRA) to Grand Portage Band of Lake Superior Chippewa.

This agreement provides funding under the Inflation Reduction Act (IRA) to Regional Air Pollution Control Agency (RAPCA).

This agreement provides funding under the Inflation Reduction Act (IRA) to the Shakopee Mdewakanton Sioux Community.

This agreement funds the recipient's program to conduct remedial planning, investigation, feasibility study, and remediation.

This action approves an award in the amount of \$29,649,000 to Kentucky Infrastructure Authority. Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of its citizens.

This action approves an award in the amount of \$395,468 to the University of South Florida. This includes funding for water infrastructure projects.

This action approves an award in the amount of \$209,006 under the Inflation Reduction Act (IRA) to Florida Department of Health (Palm Beach County).

This action approves an award in the amount of \$313,664.00 under the Inflation Reduction Act (IRA) to North Carolina Department of Health and Senior Services.

This action approves funding in the amount of \$33,071 to Florida Department of Health (Palm Beach County) under the Inflation Reduction Act (IRA).

The purpose of this agreement is for a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (Public Law 116-94).

This agreement funds the recipient's program to conduct remedial action at the Eagle Picher hazardous waste site, which is located in the state of Oklahoma.

The purpose of this agreement is for the Oklahoma Water Resources Board's Capitalization Grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (Public Law 116-94).

Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of its citizens.

This agreement provides funding to New Mexico Finance Authority. Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of its citizens.

The purpose of this agreement is for a capitalization grant which provides funds for the state of Oklahoma's Clear Water Program.

This supplemental agreement provides additional funding of \$45,343 under the Inflation Reduction Act (IRA) to the Oklahoma Water Resources Board.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Arkansas Department of Energy and Environmental Quality.

This agreement provides funding to the New Mexico Finance Authority (NMFA) under the Safe Drinking Water Act (SDWA).

This agreement provides a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (Public Law 116-94).

The agreement provides funding under the Inflation Reduction Act (IRA) to Arkansas Division of Environmental Quality (DEQ).

This agreement provides funding under the Inflation Reduction Act (IRA) to Alaska Department of Environmental Conservation.

This agreement provides funding from the Infrastructure Investment and Jobs Act (IIJA). EPA's Solid Waste Infrastructure.

This agreement is to fund the State of Washington's Water Quality Management Planning program to improve impaired waterbodies. The agreement provides funding under the Inflation Reduction Act (IRA) to the Metlakatla Indian Community to develop a comprehensive, ecosystem-based water quality management plan. The purpose of this agreement is for a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58) to the Metlakatla Indian Community to develop a comprehensive, ecosystem-based water quality management plan. The agreement provides funding under the Inflation Reduction Act (IRA) to Kawerak, Inc. to develop a comprehensive, ecosystem-based water quality management plan. The purpose of this agreement is for a capitalization grant which provides funds for the recipient's Clean Water State Revolving Fund (CWSRF) program. The agreement provides funding under the Inflation Reduction Act (IRA) to the Chugach Regional Resources Commission to develop a comprehensive, ecosystem-based water quality management plan. This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58) to the Lower Columbia River Basin Water Quality Management Council to develop a comprehensive, ecosystem-based water quality management plan. This agreement is to fund the State of Arkansas' Water Quality Management Planning program to improve impaired waterbodies. This agreement is to fund the State of Arkansas' Water Quality Management Planning program to improve impaired waterbodies. This agreement provides funding under the Inflation Reduction Act (IRA) to PRDNER. The purpose of this grant is to enhance water quality management planning. This agreement provides funding under the Inflation Reduction Act (IRA) to New Jersey Department of Environmental Protection to develop a comprehensive, ecosystem-based water quality management plan. This agreement provides funding under the Inflation Reduction Act (IRA) to Iowa Department of Natural Resources. The purpose of this agreement is to support water quality management planning. This agreement is to fund the State of Nebraska's Water Quality Management Planning program to improve impaired waterbodies. Brownfields are real property, the expansion, development or reuse of which may be complicated by the presence or potential presence of hazardous substances. The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial assistance to states and tribes to respond to brownfields. The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial assistance to states and tribes to respond to brownfields. The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial assistance to states and tribes to respond to brownfields. The agreement provides methods to conduct ambient air monitoring of pollutants of greatest concern in communities with high concentrations of low-income and/or minority populations. The EcoBlock Water Improvement project leverages the existing California Energy Commission-funded Oakland EcoBlock Water Improvement project to provide funding for water quality management planning. The purpose of this grant is to provide funds to the grantee for air monitoring equipment. Specifically, the recipient will purchase ambient air monitoring equipment. The purpose of this grant is to support Sacramento Metropolitan Air Quality Management District's (SMAQMD) air monitoring equipment. This agreement provides funding under the Inflation Reduction Act (IRA) to Ventura County Air Pollution Control District to support air monitoring equipment. The purpose of this grant is to support Pima County's air program by purchasing equipment to enhance field compliance. This agreement provides funding under the Inflation Reduction Act (IRA) to Tule River Indian Tribe of the Tule River Reservation to support air monitoring equipment. The purpose of this grant agreement is to provide funding to Tejon Indian Tribe to develop or enhance climate action plans. This agreement provides funding under the Inflation Reduction Act (IRA) to the Fort Independence Indian Community to support air monitoring equipment. This Infrastructure Investment and Jobs Act project will provide technical assistance (e.g., information, training, tools) to states and tribes to support water quality management planning. The purpose of this competitively selected American Rescue Plan funded grant agreement provides funding to Warehouses of Hope to support water quality management planning. This agreement provides funding under the Inflation Reduction Act (IRA) to the Spirit Lake Tribe. The purpose of this CAA Section 128(a) grant is to support water quality management planning. The funds for this assistance agreement are to conduct remedial actions (i.e., clean up) at the Oklahoma Refining Company facility. This agreement provides funding to . . . [Chickasaw] under the Safe Drinking Water Act (SDWA): Section 1452 and infrastructure investment. The agreement provides funding under the Inflation Reduction Act (IRA) to the Port Gamble S'Klallam Tribe (PGST) to support water quality management planning. This action approves an award in the amount of \$7,000 to the Shelby County Government. This agreement provides funding for water quality management planning. This action approves an award in the amount of \$411,000 to support Shelby County Government efforts to expand and enhance its water quality management planning. Brownfields are real property, the expansion, development or reuse of which may be complicated by the presence or potential presence of hazardous substances. The purpose of this competitively selected grant is to conduct ambient air monitoring of pollutants of greatest concern in communities with high concentrations of low-income and/or minority populations. This agreement provides funding under the Inflation Reduction Act (IRA) to the San Joaquin Valley Unified Air Pollution Control Agency to support water quality management planning. This agreement provides funding under the Inflation Reduction Act (IRA) to Clark County Department of Environmental Quality to support water quality management planning. This action awards federal funds in the amount of \$549,997, fully funding the award, to UMCES for the purpose of conducting research. This cooperative agreement, funded by the Infrastructure Investment and Jobs Act (commonly referred to as the Bipartisan Infrastructure Law), provides funding for water quality management planning. The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial assistance to states and tribes to respond to brownfields. This agreement provides funding under the Inflation Reduction Act (IRA) to the Mille Lacs Band of Ojibwe to develop a comprehensive, ecosystem-based water quality management plan. This agreement provides funding from the Infrastructure Investment and Jobs Act (IIJA). The Environmental Protection Agency (EPA) will provide funding under the Inflation Reduction Act (IRA) to the Samish Indian Nation to develop a comprehensive, ecosystem-based water quality management plan. The agreement provides funding under the Inflation Reduction Act (IRA) to the Snoqualmie Indian Tribe to develop a comprehensive, ecosystem-based water quality management plan. The agreement provides funding under the Inflation Reduction Act (IRA) to the Suquamish Indian Tribe of the Port Madison Reservation to develop a comprehensive, ecosystem-based water quality management plan.
